

The City of Red Oak Community Gardens

The City of Red Oak Parks & Recreation Department is pleased to announce a new recreational service for the city in the new Community Gardens. The gardens are located in the Cherry Creek Nature Preserve which is at the end of Pecan Creek St. just south of Waller St.

Applications are available at the Public Works Department:

411 W. Red Oak Road

Red Oak, Texas 75154

If you have any questions regarding the application process please contact the Public Works Department at 972-576-3414 or Parks and Recreation Commissioner Frankie Golden at 972-921-8209.

All available plots are provided on a “first come/first served” basis. The Parks and Recreation Commissioners are very excited about this new program. The Community Gardens program will allow Red Oak citizens an opportunity to socialize, beautify, and learn about gardening from one another.

We look forward to seeing you at our first annual Community Gardens program.
