

# Red Oak Industrial Development Corporation (ROIDC)

---

## Mission

The mission of the ROIDC is facilitate retention and creation of primary jobs, increase taxable capital investment, fund land acquisition and targeted infrastructure improvements for business and industrial projects, and fund land acquisition, construction, and operation of park facilities.

---

## Goal

The primary goal of the ROIDC is to leverage local sales tax revenues to improve the long term economic well-being and overall quality-of life for the Red Oak community by creating and/or retaining primary jobs and providing a stable tax base.

---

## Objectives

The strategic objectives of the ROIDC include, but are not limited to:

1. Assisting in the creation of primary jobs to raise the community's overall standard of living and boost local income.
  2. Actively assisting our existing businesses and industries with retention and expansion opportunities to retain primary jobs and stabilize the local economy.
  3. Proactively identifying and recruiting new primary businesses and industries into Red Oak to enhance the local tax base.
  4. Developing and marketing preferred business and industry expansion sites in Red Oak.
  5. Funding land acquisition, construction, and operation of park facilities to improve the overall quality-of-life for the community.
  6. Supporting and assisting our local educational and training institutions in developing a highly skilled workforce.
